FIRE SAFETY CERTIFICATE

TO WHOM SO EVER IT MAY CONCERN

This is to certify that D.A.V. High School, located at Pylon Colony, Nagarjuna Sagar, Peddavoorra Mandal, Nalgonda District, Telangana is a project school under the administrative control and maintenance of NSHES, TGGENCO.

The institution is covered under the Fire & Safety maintenance services of NSHES, TGGENCO. The fire protection system, including hydrant valves, hose boxes, hoses, nozzles, and the associated water supply system, has been inspected and found to be in satisfactory working condition. Adequate fire extinguishers have been installed at the required locations and are periodically inspected, tested and maintained by the NSHES, TGGENCO Fire & Safety Department in accordance with the prescribed safety standards. The essential fire safety measures required are implemented and maintained in the school for the safety of students, staff, and visitors.

This certificate is issued upon request for official purpose.
